

## The new Scirocco has arrived. And along with it, a chance to escape the ordinary.

Right from conception, the challenge we set ourselves was to create a genuinely world-class performance car. One that would also demonstrate impressive style without demanding an unlimited budget. Have we delivered? Well, the bare facts tell you that the 2-litre, 200 PS, variable suspension Scirocco is priced at £20,940.

But for a broader, unbiased view, let the motoring press have their say. *'An unbeatable force,'* Auto Express. *'Genuinely sporty performance and fun to drive,'* Autocar. While What Car? goes for *'Fabulous power plant with respectable economy.'* All that said, the one opinion that matters is yours. So why not drop by your nearest showroom or book a test drive. We think we can promise you no ordinary experience.
